A couple of bunnies will be hopping into the farm this October weekend and you will want to hold them and get your picture taken with them.
Bring your camera as bunnies don't carry cameras or purses, just Easter baskets, they tell me.
Don a "top hat" and and a "bowtie" for the cuties picture of all.
Get the whole family in the picture.
The Easter Bunnie might even show up that day - don't know when, or how long,
but the Easter Bunny was invited!
