

"Field Trips"

Field trips must be pre-scheduled on either a Thursday or Friday during the month of October. **Call 970-686-7225** between 10am and 6pm **or text 970-576-8970** any time and request a call back to schedule a field trip.

Field trips for elementary schools and child care centers include:

Welcome at your vehicle when you park
Information on selecting and size of pumpkin

Wagons and pumpkin measuring baskets to take to the field

The following will be included if it can be done with respect to current health and safety regulations:

A short history of pumpkin farming

A storybook reading

The current fee, including a pumpkin, is \$2.00 per child and teacher.

Teacher should collect the fee for the entire group to give the kids maximum time for picking a pumpkin.

Individual payment takes a lot of time and could delay the return trip back. Bring a marking pen to write the child's name on the bottom of the pumpkin to make it easier when they arrive back at school to make it easier to send them home with their "special" pumpkin at the end of the day. Parents attending as chaperones may purchase extra pumpkins or items at the regular prices. We recommend one adult for every eight children.

Specialty field trips such as "Art Class" for older youth is always fun as well.

The parking lot is large and will accommodate school busses and vans. The farm is located at 12404 County Road 64 1/2, Greeley, CO and is on the south side of the road. Look for the Tigges Farm sign on the north side of the road.

Field trips for adult day care centers include: (Please pre-schedule - Thursday or Friday only)

Wagons to take to the field

Golf Carts may be borrowed if residents need a ride

Options for payment are:

Discounted price if day care adult wants to be financially responsible

Free small to medium pumpkin if day care adult doesn't have financial ability
