

Tigges Farm "Make it a Family Tradition"

Roasted Chilies

Fresh roasted chilies - Mid- August thru October if Mother Nature allows. Peak time is September. Don't wait until October as they could be gone.

Pumpkin Patch

The Pumpkin Patch is open the last weekend in September and is open daily 9am-6pm thru October 31. Pick your own.

"Before Growing Up"

All Colorado kids should have the opportunity to:

1. **Camp out under the stars** (or just see the stars). So....keep skies from being polluted with light.
2. **Follow a trail, ride it or walk it, and be respectful of everyone's right to use the trail.** (be it human or of nature). So..... support efforts to preserve natural areas and nature environments.
3. **Play in a creek or river: fish, wade, paddle, or skip a stone.** So.....protect our rivers and water sources.
4. **Experience the wonders of Colorado's four seasons: wildflower, abundant sunshine, the changing aspen leaves, and fresh powder snow.** So.....place value on these seasonal wonders and places to visit.
5. **Visit a working farm or ranch.** So.....treat legacy and historic farms as treasures of the past, delights of the present and gems for the future.
6. **Enjoy the view from the top of a mountain.** So.....be mindful of pollution of our the air not only for health reasons, but for enjoying the beauty of this earth.
7. **Identify Colorado's official state wildlife and plants in their natural habitat.** So.....be respectful of natural habitats so they can continue to be sustainable.
8. **Explore one of the dozens of local, state, and national parks in Colorado.** So.....be mindful of campfires and don't litter.
9. **Play in the dirt and learn about the world from the ground up.** So.....learn where food comes from and the importance of soil health.
10. **Plant a seed (in minds or soil) for other Colorado kids to enjoy in the future.** So.....protect our agricultural communities from human invasion. Seeds can't be planted in cement!
